

This submission is in response to the FEC letter of Inquiry dated January 13, 2009.

This inquiry is the result of an in-kind contribution designated for the 'General' election, however, Schedule A of the 30 Day Post General report reflects that it was received on November 13, 2008, after the general election

The In-Kind contribution was for the 'Victory Party' held election night and should have been reported on November 4, 2008, the date the contribution was received. The appropriate reports have been amended to reflect this correction.
